FOREWORD

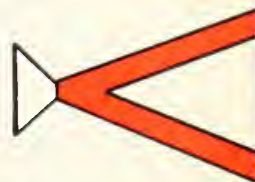

In the experiences of our daily high school life, we have come to know and to appreciate the value of friendship and of education. These factors will definitely influence us as we play our role in modern society. The efforts of the faculty and the association with our classmates have combined to give us the ability and the confidence requisite for mature judgment and action which shall affect our immediate future. For our high school experiences we shall always be grateful.

Charles H. Downs
Principal

Graduation from a High School has several meanings. First, it indicates the completion of study on the secondary school level unless post graduate study is contemplated. Next, it calls for a review by each graduate of the caliber of work done, principally if the student has lived up to his ability. Again, it means a decision must be made at once as to what the next step will be as to the future. Finally, it means the end of

the daily experience of meeting with the many wonderful friends of the teenage years, for it is surprising how soon the challenges of life disperse these friends to the far corners of the country. It is my wish that your experiences at Arlington High School, both academic and social, will have given you the all-important basic needs for a happy and successful future.

On a sunny September morning in 1957 a class of apprehensive sophomores, with diverse ideas as to what the next three years would unfold, assembled in the old hall at the high school. After several days spent in becoming acquainted with our new classmates, with a few members of the faculty, and with the "ups and the downs" of the building, we soon felt at home. Little did we suspect that three years later in our senior year we would enter the building and once more experience the necessity of readjustment to new surroundings. Even in 1957 plans were being made for new additions to the school.

As sophomores we found varied extra-curricula activities in which to develop our talents. The dramatic club with its production of the play "The Family Nobody Wanted" and the Gilbert and Sullivan Club's "The Prince of Pilsen" won the plaudits of all of us.

Although the athletic teams were not spectacular, they ended their seasons with average records. The sophomore class was well represented at all these functions.

Under the guidance of the student council, the school during the previous year raised funds which enabled Crystal Koeppe, a German student, to spend her senior year at Arlington High School. Crystal's friendship and presence greatly enriched this year for all of us.

In the spring, we realized the value of the academic and social experiences which we had enjoyed during the sophomore year, and we looked enthusiastically forward to those which the next year would bring. Our introductory year to Arlington High School was, indeed, a happy one.

Upon entering our junior year, we were unaware of the challenges and very enjoyable activities that lay

CLASS HISTORY

ahead for us. Many of us encountered such challenges in the merit scholarship examination and the college board examinations. Along with these hurdles our activities included many pleasant diversions. We were very successful in sports; our football team won eight games and lost one. After winning the state championship, our hockey team went on to participate in the New England Finals. Entertainment was brought to us by the Dramatic Club's presentation of "Our Hearts Were Young And Gay," and the Gilbert and Sullivan Club which produced "The Pirates of Penzance."

Many of us during our junior year were fortunate enough to know Albert Hasibuan, our Indonesian exchange student, who provided us with many enjoyable moments. We all had looked forward to the prom since the beginning of September, and it fulfilled all our expectations.

During the entire year, we focused our attention on strengthening our educational background for our future benefit, and by June many of us had decided upon our choice of institution of higher learning or of vocation to pursue.

Our junior year was a year of decision.

The new additions were completed when we began our third and final year at the high school. Gymnasiums, auditoriums, new rooms—all sparkled, and the clean scent of fresh paint roamed the entire building. The seniors participated in and supported school activities with twice as much energy and enthusiasm as in the previous two years.

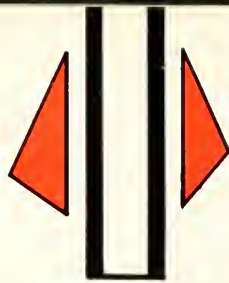

The Dramatic Club announced that it would produce a rollicking play, *The Matchmaker*; the participants once again did a superb acting job. With a splendid presentation of the *Mikado*, the talented Gilbert and Sullivan Club delighted its audiences. Although the weather was not always the best for our football games, and we didn't capture any great awards, our team played some of the best games we had seen in our three years. Not only were we proud of our teams for doing their best, but also for representing our school so well.

All at once, graduation dates, rehearsals, and the Senior Prom crowded our calendars. Those were the times when all our spirits became light and happy, yet sad. We would be on our own soon and would miss these last three years.

Our senior year—one of fulfillment and preparation.

FOOTBALL

The Arlington High School football team this year started with but two returning lettermen, Howard Lovering and John Radochia.

The Red and Gray won two, lost five, and tied one. This record was expected because of the lack of experience both on the defensive and offensive units.

The stars of the season were probably Captain Howard Lovering and Victor Elios. Both boys played both defense and offense for sixty minutes of every game.

The fall was marked by having three Saturday games postponed due to heavy rains; the games had to be played on a Monday afternoon.

The highlight of the season was the terrific victory over a powerful Brookline team 12-8.

GOLF

As soon as the snow begins to melt, the Arlington High School golfers begin their weary hikes over the Winchester Country Club golf course. As the team of 1960 is made up of many veterans, we have eagerly anticipated a successful season. Led by Captain John Toomey, the A.H.S. team meet the golfers from Cambridge, Newton, Watertown, Brookline, Waltham, and Brockton.

At the end of the season the team with the best record will compete for the state championship in the state tournament. The golfers at Arlington High have always achieved enviable records. We wish this year's team the best of luck.

CROSS COUNTRY

This year's Arlington High School Cross Country team was led by Co-Captains Peter Seery and Fred Strachan and sparked by a sophomore, Clyde Ward. In league meets, the team was successful in defeating Watertown and Newton. They lost three very close meets to Beverly, Belmont, and Melrose. In the Middlesex League Meet, Arlington finished fourth as a team and had very strong performances from Fred Strachan, Clyde Ward, Peter Seery, and Arnold Reppucci.

At the State Meet again Arlington did very well, finishing fifth as a team among twenty Class 'A' schools, and Strachan, Ward, Seery, and Reppucci showed the way. Bill Ceurvels, Peter Hiller, Art Poole, Bill McCarty, Robert Evans, Ralph Dearborn, and manager, Harold Wilson made up the first team, while Calvin Cutter, Paul Burke, Richard Wellons, Jeff Heidt, Dan Tuller, and Frank Sullivan formed a J. V. team. Graduating seniors are Strachan, Seery, Ceurvels, and Poole. Next year's season should be a good one providing a few sophomores can be found to strengthen the returning veterans, Captain-elect Arnold Reppucci, Clyde Ward, Peter Hiller, Bill McCarty and Anthony Manfredi, who shows promise in becoming a very useful member to the team.

BASKETBALL

The year 1960 will go down on the records as a banner year for the basketball players of Arlington High School. Our gymnasium was completed and the "new look" made players and spectators quite happy.

Our A.H.S. team finished fifth in the strong Suburban League. Great games were played with Rindge, Brookline, and Waltham. The highlight of the season was the A.H.S. overtime victory over a highly favored Brockton team. The "shot heard round the world" was Leo Scully's lefty hook in the overtime. This Arlington victory guaranteed the championship for Brookline.

Playing great ball for Arlington were seniors: Larry DiStefano, Warren Pierce, and Vic Elios, and juniors: Ross Morrison, Charlie Murray, Ed. Ostrander, and Captain Leo Scully. Averaging 20 points a game Leo Scully proved to be the greatest basketball player Arlington has had in many years. Prospects for next year are bright as the A.H.S. junior varsity won the Suburban League title with 12 victories and 2 defeats.

ROW 1: R. Morrison, L. DiStefano, L. Scully, *Captain*; W. Pierce, C. Murray. ROW 2: E. Ostrander, J. Russell, R. Harrington.

HOCKEY

Edward P. Burns
Coach

Arlington High School lost its complete starting lineup from a State Champion hockey team of last year. This inexperienced squad of players surpassed all expectations of them by winning the G.B.I. Hockey Championship in record time. As of this date, the hockey team has a league record of twelve wins and one loss. Captain Howard Lovering, John Morse, and David Hourihan are the only three seniors on this championship squad.

The success of the Arlington team can be contributed to its great team play and spirit.

The first forward line of Charlie Morgan, Captain Howard Lovering, and John Shannon are of equal ability with the second forward line of Paul Donnelly, David Hourihan, and John Morse. The defense is comprised of Paul Tierney, Paul Davieaux, and Alan Kierstead.

The spirit of this team is shown by its come from behind victories in the third period of six of its games.

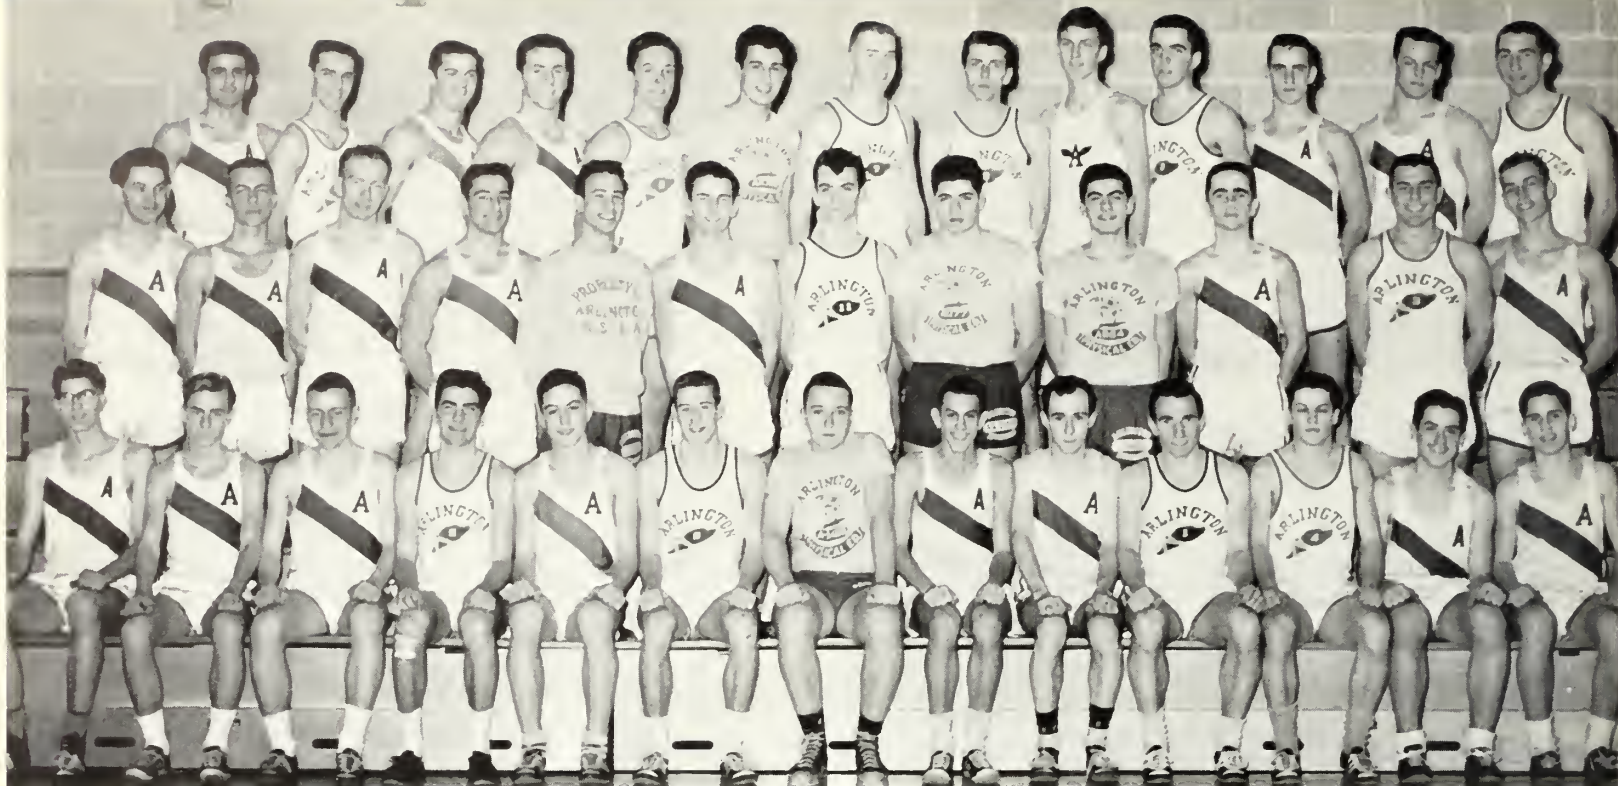

The hockey team will now defend its last year's state hockey championship in this year's Massachusetts State Hockey Tournament.

INDOOR TRACK

Arlington High School's Track Team had a winning season for the first time in three years. In the Division II of the Metropolitan Track League, Arlington defeated Belmont, the defending League Champion and Class B State Champion, the only team to defeat Belmont all year. North Quincy and Watertown went down to defeat at the hands of Arlington, while Somerville and Natick defeated the "Red and Gray" by close scores.

The outstanding performance of Fred Strachan in all league meets was appreciated by the team. The following boys performed in the various events: *45-yard Hurdles*: Gerry Faiola, David Gustafson and Ralph Dearborn; *50-yard Dash*: John Radochia, Dave Martin, Jim Lund and Dave Falwell; *300-yard Run*: Harold Ameral, William Lewis and Richard Moriarty; *600-yard Run*: Peter Seery, William Ceurvels, Curtis Gilbert, Joseph Pavo and Charles Maher; *1000-yard Run*: Arnold Reppucci, Arthur Poole, Anthony Manfredi, Jerome Buckley, Peter Hiller and Robert Evans; *1-mile Run*: Fred Strachan, Clyde Ward and Jeff Heidt.

In the field events, John Radochia and Peter Hiller did very well in the High Jump. In the Shot Put, Arlington had Dave Martin, Ralph Warrington, James Van Valkenburgh and Jerome Buckley. This year's track squad was the largest in recent years, and Arlington has the makings of a fine team for next season with a great many boys returning.

The team will miss the seniors next year, but with Captain David Falwell returning along with other underclassmen, the outlook is indeed good for next season.

CHEERLEADERS

This year's cheerleading squad, under the direction of co-captains Jane Beggan and Joan Caldwell, was the backbone of our high school spirit. Although being in various other school activities, the cheerleaders proved their loyalty not only to the football, basketball, and hockey teams, but set a precedent of any other squad by supporting the track team.

During the summer months of July and August, the girls practiced faithfully each week to perfect each cheer for the coming football season. By September they had perfected their cheers, but continued weekly practice.

The cheerleaders will never forget the excitement of marching down the field to the familiar, "Red and Gray" and hearing the magic words—"guide right" as they turned to the student body.

And, in turn, the student body extends their sincere congratulations to a job well done!

FIELD HOCKEY

The field hockey team which had a very successful season, played under a severe handicap. There was only one veteran on the team from last year's varsity squad; nevertheless, the girls worked hard and long to develop themselves into an admirable squad.

Miss Spilner, the new coach, did an outstanding job in developing the varsity squad of inexperienced girls into a coordinated team.

The Arlington High School Hockey Squad of 1959 displayed good sportsmanship and fine skills throughout the entire season which resulted in the following: one win, two ties, and three losses.

The team was ably managed by Licia Musante with assistance from Jill Fallon and was captained by Sandra Welch.

GIRLS' BASKETBALL

Marian M. Spilner
Coach

Eighty eager girls reported in November for tryouts with hopes of making the Varsity Basketball squad. Shortly this group was narrowed down to a squad of twenty-four girls who worked diligently to develop skills. Unfortunately, the varsity team got off to a poor start but finally began to click and ended the season in an exciting game with Lexington.

The record stands at three wins and four losses. The J.V. season was more successful with five wins and two losses. Prospects for next year are promising with many of the squad returning.

ACTIVITIES

Having completed another successful year, the Projection Club plans to increase its membership next year. Under the capable direction of Mr. Charles Fagone, President Albert Disessa, and Vice President John D'Orsi, the club has been running smoothly and efficiently.

The Projection Club presently has a membership of fifty, which is an increase of twenty over last year's membership.

Still growing, the Projection Club plans early its activities for the coming year. In the past three years, the Projection Club has made important advances in making the club interesting to its present members and attractive to new members.

There is every indication that after the present officers graduate the Projection Club will continue to grow and prosper as it has during the past three years. With continued interest, the duties and activities of the Projection Club will, without doubt, expand with its increasing membership.

CHESS

The A.H.S. Chess Club, under the energetic leadership of Mr. Sampson, is composed of a group of enthusiastic chess players. Anyone who can already play chess or anyone who is seriously interested in learning this fascinating game is urged to join the club.

The Chess Club fields in interscholastic competition a team which this year has a $10\frac{1}{2}$ - $1\frac{1}{2}$ record, the best it has ever had, and has virtually clinched the league championship.

Arlington has entered a C-League team in metropolitan competition. Under its captain, Carl Weggel, this team has an undefeated record.

The Chess Club would like to express its deep appreciation for the time, money, and effort Mr. Sampson has spent in improving the club and transporting it to the games. Our deepest thanks to Mr. Downs who graciously appropriated the money for new chess sets for the entire team.

Congratulations for the results this year and good luck to those supporters of the club who may make next year even better.

ALLIED YOUTH

Allied Youth in Arlington High this year celebrates its fourth Anniversary. Ours is Post Number 813. This International high school organization makes us aware of the good times students can have without resorting to the use of alcohol. The charter was granted to Allied Youth "as an educational organization specializing in alcohol education. It charts and services clubs among high school students, prepares and distributes alcohol education and personality development materials."

It is to educate teenagers on the tremendous destructive power alcohol has on the human body. High schoolers are taught to try to face their problems as a more satisfactory solution for acceptance and recognition. Red and white are our organization colors.

CHRONICLE

The Chronicle, our school newspaper, came out monthly from October through May on the third Wednesday of each month. Mr. John S. Sampson acted as the faculty advisor and the able guide of the entire staff. Costing fifteen cents, the Chronicle consisted of eight pages filled with news items and other interesting articles; such as, both girls' and boys' sports, club activities, and of course, "Aunt Minerva." The Red and Gray Salute was also a popular column this year in which deserving seniors were given credit for their accomplishments.

This year's activities were climaxed by the Chronicle Banquet, at which time the members of next year's staff were announced, and the identity of Aunt Minerva, our own "Dear Abby", was revealed. The Chronicle afforded absorbing reading throughout the year.

In the past year, have you noticed students roaming the school grounds at four in the afternoon? If so, it was probably the cast for the dramatic club play leaving for home after a long and tedious rehearsal. It takes many weeks of daily rehearsing to give a successful performance.

Dramatic Club isn't all work without play, however; many happy hours are experienced by the members. In addition to the production of the play and the cast parties afterward, there is the opportunity to participate in the Massachusetts Drama Festival with eliminations held at a neighboring high school and the finals at John Hancock Hall. The season ends with the annual outing to which everyone looks forward.

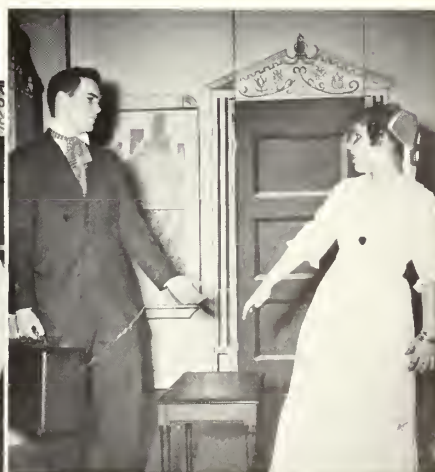

The club, one of the oldest in the school, has actively participated in these affairs for over thirty-five years. This year, under the capable leadership of Mrs. Elizabeth W. Sampson, the club presented "The Matchmaker", written by Thornton Wilder. It proved to be a hilarious comedy in which a domineering woman does everything in her power to "match-up" the characters in the play. She, in turn, finds herself a husband. I think everyone will agree that the cast did a magnificent job in presenting one of the most successful plays ever given by the club.

R.V.T.

The Read, View and Talk Club is an informal group whose main purpose is to bring together those students who enjoy both reading and discussion.

The first and third Tuesdays of every month found the R.V.T. Club in session at the Robbins Library. Miss Richmond, our high school librarian, and Mrs. Sanborn, young people's librarian at the Robbins Library, helped to keep the meetings running smoothly throughout the year.

We not only had book reviews and films, followed by inspiring discussions, but this year we were fortunate to have with us a few very interesting guest speakers.

Refreshments were served at all meetings. It has been customary to have a Christmas party during the holiday season, and this year was no exception. An outing in June concludes each year's activities.

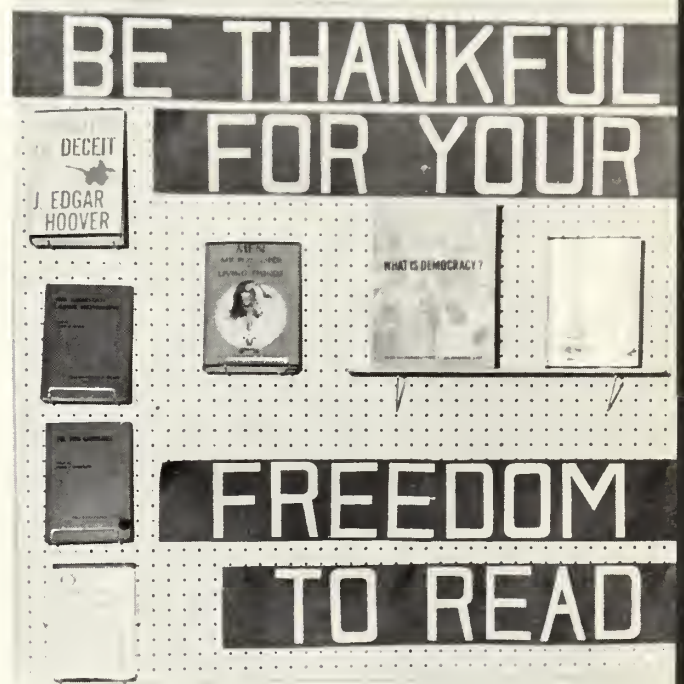

LIBRARY CORPS

The Arlington High School Library Corps is a club composed of about fifty members who make up the student staff of the library. Under the guidance of Miss Richmond, the school librarian, the members are taught how to use the library. This is not only beneficial to them but also enables them to help their fellow students in the library.

Every year the candy sales sponsored by the library corps are events awaited by the entire school. Though always successful, this year the sales exceeded all previous ones. A book fair is another annual event of the library corps. In addition, during December this year, as a service to students preparing for college entrance examinations, the library corps sold college review handbooks each day. The money made on all these projects is used to purchase a gift for the library.

At the close of the school year an outing is enjoyed by everyone. The members agree that the library corps is an organization that is educational, interesting, and fun too.

LATIN CLUB

To give satisfaction to its members is the fundamental aim of most clubs; the Latin Club in our school is no exception. Since the members of the Latin Club are fourth year Latin students, this satisfaction is acquired through knowledge.

The third Friday of every month finds the regular meeting called to order by the Consul Prima. Opening with the roll call of Latin cognomens, the meeting proceeds with the hearing of the Scriba's report and the long awaited financial results as reported by Consul Secundus. Next the Socii Tudorum offer their ideas for social projects; such as, Confusa (or Scrabble) which entails greater intellectual activity when the use of words is limited to Latin. Finally, since the theme for the year is *Every Day Roman Life*, one aspect of this topic is discussed, perhaps birthday celebrations, social life, or typical menus.

In addition to the monthly meetings, the group attends museums and lectures to further their knowledge of Roman life, literature, and culture.

A high point this year was a fashion show, starring, produced, and directed by toga-clad Latin Clubbers; this performance was given the entertainment of a visiting club.

The goals of this group would never have been attained without the sincere efforts of Miss Dorothy Rounds who has the talent to make Ancient Rome and Romans live again.

From the opening meeting with Vergil's birthday party to the eating of the last crumb at the Roman Banquet, memories of Latin Club will not be soon forgotten.

INTER-NATIONS STUDENT CLUB

The Internations Student Club promotes a program to further international friendship. With Mrs. Jones and Mr. Johnson as faculty advisors, foreign students, summer returnees on the exchange program, and those students who have traveled abroad and others hold meetings and social gatherings to learn more of the life, customs and people of various countries.

The Art Club is one of the newest organizations of the Arlington High School extracurricular program. Organized three years ago under the able direction of Mr. Gerald Robinson, the Art Club has since entered fully into the schools' social stream; this year it boasted a membership of eighty students the largest ever!

The purpose of the Art Club is to further the interest and appreciation of art in Arlington High School and to allow students not studying art during the school year the opportunity to pursue and develop their latent creative abilities. The sole requirement to become a member of the organization is an avowed interest in art and a willingness to participate in the club activities.

Annual group projects have been the designing, construction, and painting of the scenery for the dramatic club play and the annual hanging and participating in the group art exhibit held during the spring of the year. Organized field trips and events are featured, and excursions for painting purposes are taken during the spring of the year. For practice in a hobby or career, the Art Club is valuable to all.

STUDENT COUNCIL

Students form their character through the choices they make, the actions that they take, and the responsibilities that they accept. The Student Council has accustomed us to accepting responsibilities, and give us practice in making and carrying out our own activities.

This year the Student Council, governed according to a constitution, added an amendment which stated that four freshmen would be elected to the council.

With a helpful hand from the Home Economics Department, a very successful, "Faculty Tea," was held. The Student Council members were present throughout to greet and serve both the old and the new members of the faculty.

In years past, one of the main functions of the Student Council has been to raise money for the exchange of a foreign student, however, this has been discontinued. The Student Council members have sponsored several dances for undergraduates which proved very popular.

Our experiences as Student Council members has prepared us to take an active and intelligent part, as adults, in democratic government. It also provided valuable experience in conducting meetings, and in debate and parliamentary procedure.

Meetings are held on Friday of each week while school is in session. The activities of the club include various other activities. A science fair is scheduled each year about the first of March, and the winners go on to the State Science Fair. The Science Club is also affiliated with The Science Clubs of America.

When we first entered the Vocational High School we were bewildered. The program was quite different from our previous schooling. Our biggest problem was adjustment to the alternate class and shop schedule. We soon got into the swing of it and loved it! We could always look forward to the "next week."

In our Sophomore year we were taught the basic attitudes and requisite skills necessary to a good tradesman. The jobs assigned to us were simple, but in doing them we were taught to carry out instructions.

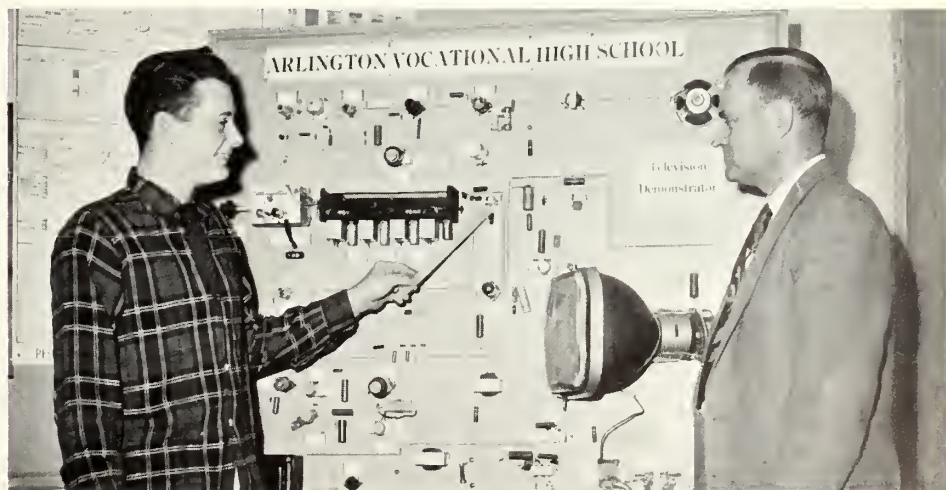

In our Junior year, having gained much knowledge and skill in our trades, we were assigned jobs more complicated in fulfillment.

As Seniors we became authorities in our respective trades—at least to the lowly Sophomores! Our assignments were challenging, and mastery of them came as sweet reward and satisfaction to us.

We are now ready to take part in the exciting 60's.

The orchestra, under the direction of Mr. Einzig, played an important role this year in their many appearances at our assemblies. The members put in many hours of hard work practicing for these performances, and the results were admirable.

They also should be commended for their display of talents at the Dramatic Club play, where they added

a bit of color with their songs of the Gay Nineties. Their most spectacular performance occurred at the Gilbert and Sullivan Club's production of "The Mikado."

We all hope that in the future the Arlington High School Orchestra will continue to give as much pleasure to their audiences as they have in the past.

GILBERT & SULLIVAN

"Music Makes the World Go Round" and so does the Gilbert and Sullivan Club, better known as G. & S. contribute each spring an operetta, which is presented by the members of this club, always proves to be a huge success. As the name implies, with a few exceptions, most of the productions have been the works of Gilbert and Sullivan.

In our sophomore year "Prince of Pilsen" and in our junior year "Pirates of Penzance" were presented. This year, our senior year, "The Mikado" was presented.

The members of G. & S. all hope that the future members will derive as much pleasure and satisfaction as we have had in participating in the activities of this organization.

The Girls' Choir, organized in 1956, is made up of girls who have completed one year of work with the Girls' Glee Club. They meet twice a week, on Tuesday and Thursday, during school time and are directed by Mr. Einzig.

The Girls' Choir takes part in school assemblies and at graduation. During the past three years, they have also sung in exchange concerts at Wakefield, Stoneham,

Natick, and Melrose High Schools.

As always, the girls of this club have given their full support to the various musical programs presented at Arlington High School throughout the year, particularly to the Christmas assembly.

The Girls' Choir has added greatly to the enjoyment of the school's activities on the part of all the students.

GIRLS' GLEE CLUB

This year there were two different Girls' Glee Clubs. One met during school; and the other one, after school. Mr. Laman directed the girls most capably. Although participation in the Girls' Glee Club is primarily a preparation for membership in the Girls' Choir, the group nevertheless presented concerts at the two junior high schools this spring and also participated in several assemblies at the high school.

In conclusion, the group has had a very worthwhile year, and the members hope that the clubs in future years profit as much as they have by participating in all the activities of the Girls' Glee Club.

HARMONETTES

"Say It With Music" is the motto of the Harmonettes. Mr. Einzig, the group's director, founded this organization six years ago. This year a group of vivacious girls gave full support to make the performances of the Harmonettes delightful. Try-outs are also held each spring for new girls interested in becoming members of the group.

The girls follow a busy schedule: it includes exchange concerts with Melrose, Stoneham, and Natick High Schools; participation in school assemblies; and entertaining local women's clubs and other organizations. The Harmonettes have always successfully interpreted "Say It With Music."

BAND

The Arlington High School Band has displayed enthusiasm and spirit over the past three years, as it participated in football games and assemblies.

This year, under the direction of Mr. Laman, with Ralph Martori as drum major, the band has shown outstanding marching maneuvering techniques.

No doubt many senior band members will long remember the "military-style" marching rehearsals during the football season in preparation for the half-time shows. May next year's band have the same joyful enthusiasm.

BOYS' GLEE CLUB

The Boys' Glee Club meets once a week under the excellent leadership of Mr. Einzig. They sing many beautiful ballads, Christmas carols, and semi-classical selections. These boys provide entertainment at school assemblies. Few organizations offer a better opportunity for boys to get together and sing, and their performances are always admirable.

MAJORETTES

ROW 1: N. Keefe, M. Allen, *Co-Captains*. ROW 2: D. Seretto, J. DeMita, J. Mantyla, C. Aubrey, J. Hover, J. Sangeleer.

Rain or shine the Drum Majorettes are willing to perform at all the football games. During these games the girls participate in a colorful half-time show, performing numerous intricate twirling techniques and are invariably rewarded by much applause from the fans. Moreover, this year the girls initiated a snappy flag routine which was unique in this area and therefore a very appealing addition to their act. Under the co-leadership of Nanci Keefe and Mimi Allen, the girls began practice in the spring and continued through the summer and the fall.

Without exception everyone has enjoyed the colorful sparkle and pep that the majorettes have contributed to all our football games.
